# CT Techs Know

## Patient Fluid Incidents Are a Real Hassle!

**4 Million**

Annual CT Scans Have a Fluid  
Issue That Requires Cleanup  
and Machine Downtime

Up to  
**8 Hours**

Reported Downtime for  
Cleanup and Repairs Due to  
Patient Fluids When Machine  
Protection is Not in Place

Estimated  
**\$12 Million**

US Annual Revenue Lost Due  
to CT Machine Downtime

Boland, Giles W.L. et al. Maximizing Outpatient Computed Tomography Productivity Using Multiple Technologists. Journal of the American College of Radiology, Volume 5, Issue 2, 119 – 125  
L. Glover. (2016, January 26). Planning and Paying for a Diagnostic Procedure [Blog]. Retrieved from: <https://www.nerdwallet.com/blog/health/how-much-does-a-ct-scan-cost/>  
Independent 3rd party survey of 219 hospital CT departments, August, 2015.

**Nearly  
50%**

of CT Scans  
Use Intravenous  
Contrast Media  
That Can Cause  
Nausea, Vomiting,  
and Spills

# Gantry Guard™

ProteCTion You Need

## Disposable CT Gantry Cover Designed to Minimize Fluid Cleanup Time and Protect Your Valuable CT Scanner

### Reduce:

- Cleanup Time
- Costly Repairs
- Lost Revenue Due to Machine Downtime

### Increase:

- Facility Productivity
- Staff Satisfaction

## Performance–Tested\*

- Does not affect image quality nor introduce any visible changes in CT images
- Allows for artifact-free images
- Does not increase patient radiation dose
- Withstands up to 40 ounces of fluids

\*CT image validation was performed under the supervision of a medical physicist at the University of Virginia. CT image evaluations were performed by a Board-certified, licensed radiologist. All image acquisition and analysis were consistent with both ACR guidelines and relevant international standards.

# Easy to Use

Apply & Remove in Minutes

**1**  
**UNFOLD**

**2**  
**APPLY**

**3**  
**PROTECT**

## Designed for Convenience

- Fits most CT scanners
- Held in place by easy-to-remove adhesive tabs
- Disposable for quick and easy cleanup
- Convenient dispenser box
