

Carstens Mediroom Medication Storage Boxes

MEDIroom™ lock boxes are perfect for securing medications, narcotics, supplies, personal belongings, and other valuables at the point-of-care or anywhere secure storage is needed. Lock boxes are available in three sizes and two neutral colours (almond and white). They can be mounted on the wall or inside our WALLAroo® cabinets for dual-lock security.

Features

- Available in three sizes, two neutral colours, and with two lock options
- Constructed of durable 20-gauge powder-coated steel
- Can be easily mounted to a wall or placed inside 6" or 8" deep WALLAroo® cabinets
- Doors open at a 180 degree angle and do not protrude into the room
- Units lock automatically when door is closed
- Withstands bleach and other chemical cleaners

DUAL LOCK BOX

Lock Options

Keyed Lock: This lock opens with a turn of a key and locks automatically when the lock box door is shut. Perfect for storing supplies or the temporary storage of personal items in patient rooms, waiting rooms, and other shared spaces.

Keypad Lock: This lock features an easy-to-read 5 digit membrane keypad. Push button to open cabinet and close door to auto lock. Powered for 5 years by a coin cell battery. Can operate in either "station" mode or "locker" mode.

This lock is ideal for lock boxes storing narcotics, medications, and supplies that require additional security and need to be accessed by multiple caregivers, nurses, or doctors.
