

WALLAroo Wall Mounted Cabinets

The WALLAroo Wall Mounted Cabinets are designed to provide secure storage of medical supplies, records, equipment and IT equipment. A range of sizes and options are available to provide flexibility for the end users depending on your particular requirements.

Each of these Cabinets share the following features:

- Unit Colour: Grey or Almond
- Colour Options: End Caps, Trim and Front Door (available with a limited number of models)
- Door Close Options: Auto Close Door (door closes when released) and Close Assist Door (Doors remains open until lifted)
- Locking Options: Keyed Lock (Keyed Entry Lock with 2 Keys), Electronic Keyless Lock (lock has push button numbers that stores up to 5 user codes and LED lights indicator if the unit is locked or unlocked) and Isonas Access Control (available in 2 options access via RFID security card scanner built into unit with internet cable access to control system and with additional keypad access).

WALLAroo 6650 Series

WALLAroo 6650 Series Wall Cabinet offers the smallest wall storage in contoured, sculpted design that is ideal for small areas or rooms with space constraints. Ideally for holding small diagnostic equipment, tablets, medication, PPE and records.

WALLAroo 6650 with Keypad Lock

WALLAroo 6650 with Key Lock and Retaining Bar

WALLAroo 53200 Series

These secure units offer flexibility for storing medical supplies and medications that are quickly accessible inside patient rooms or in the corridor. When open, the door turns into a sturdy work area for pouring liquids or counting tablets.

Comes with three adjustable shelves mounted on vertical rails.

WALLAroo 53200 Series with keyed lock

WALLAroo 53200 Series with keypad lock, Shelving Kit and Keypad Med box

WALLAroo 53250 Series

Similar in size to the WALLAroo® 53200 Series but offers 5cm more depth. **Comes with three adjustable shelves mounted on vertical rails.**

WALLAroo 53250 Series with keypad lock and Shelving Unit

WALLAroo Wall Mounted Cabinets

WALLAroo 53300 Series

The WALLAroo® 53300 Series is ideal for storing small electronic equipment, charts, supplies or medications in a secure, convenient workstation. Mount in the corridor or inside patient rooms to keep all treatment essentials at the point-of-care.

WALLAroo 53300 with Keypad Lock and Shelving Kit

WALLAroo 6100 Series

The WALLAroo® 6610 Series is ideal for storing monitors, laptops, charts, supplies or medications in a secure, convenient workstation. You can easily store essential medical supplies, files or equipment next to data entry technology without compromising space. Mount in the corridor or inside patient rooms

WALLAroo 6100 series with Keypad Lock and Close Assist Door

WALLAroo 6680 Series

The WALLAroo® 6680 Series has the same height and width as the 6610 Series but offers 5cm more depth to fit larger treatment necessities. It is ideal for storing small laptops, tablets, charts, supplies and/or medications inside patient rooms.

WALLAroo 6680 Series with Key Lock

WALLAroo 6680 Series with Keypad Lock and Notebook Swivel Base Kit

WALLAroo Wall Mounted Cabinets

WALLAroo 6620 Series

The WALLAroo® 6620 Series is ideal for storing electronic equipment in patient rooms or in the corridor. It is the perfect size for storing a large monitor in the lower compartment and securing the CPU in the smaller upper compartment. Features dual locking compartments to keep information and equipment safe, and allow access of data to only authorized staff or IT personnel.

WALLAroo 6620 Series with key lock, monitor mount, vent caps and custom mounted drive

WALLAroo 6670 Series

The WALLAroo® 6670 Series takes up the same wall space as the WALLAroo® 6600 Series but with half the depth. The 10cm depth of the 6670 Series makes it great for storing electronic equipment inside patient rooms or just outside of patient rooms in the corridor.

WALLAroo 6670 Series with Keypad Lock and Key Lock

WALLAroo 6670 series with Keypad Lock, IV Retainer Bar, Shelving Kit, Storage Bins and Close Assist Doors

WALLAroo 6600 Series

The WALLAroo® 6600 Series is the deepest WALLAroo® Carstens offers with an 20cm depth. This makes the 6600 Series great for storing electronic equipment and larger supplies inside patient rooms.

WALLAroo 6600 Series with Keypad Lock, Articulating Arm and Close Assist Doors

WALLAroo 6600 Series with Keypad Lock, Articulating Arm, Mouse House, Shelving Kit, Vet Caps and Close Assist Doors

WALLAroo Wall Mounted Cabinets

WALLAroo 6699 Series

The WALLAroo® 6699 Series is the widest two-door WALLAroo® Carstens offers. It is great for storing wide screen monitors, tablets, charts, supplies and/or medications inside patient rooms.

WALLAroo 6699 Series with Keypad Lock, Monitor Mount, Mouse House, Shelving Kit, Close Assist Doors, Vet Caps and Custom Mounted Drive
