Time Tape

Time Tape® by PDC Healthcare is the toughest, most reliable labelling tape in the industry! This strong, coated paper tape is oil, water, and acid resistant. It will withstand temperatures from -10°F up to +250°F (-23°C to +121°C) and has an application temperature as low as +32°F (0°C). It can be written on with a pen, pencil, or permanent marker and has a removable adhesive. Time® Tape can also be custom imprinted with the specific colour, style and information you require.

All-purpose, self-adhesive Time Tape® is well-suited for a wide variety of labelling applications. Help organize and facilitate LEAN programs and initiatives by using Time Tape® for colour coding, labelling and organization, which in turn will help work-flow and increase productivity.

You can use it to:

- Flag specimens in the laboratory
- Label priority specimens
- Colour code and identify specific doctors for scheduling
- Colour code patient charts
- Colour code patient wristbands
- Colour code files in medical records

PDC Healthcare Time Tape® is also available in a convenient Rainbow pack, which contains assorted rolls of 500" tape. The Rainbow pack is available in three widths and is priced per box. Order in full box quantities.
Tape Widths—1.27cm (1/2"), 1.9cm (3/4") and 2.5cm (1")
Stock is available of the Rainbow Packs

Custom Colours:

Time Tape® can also be manufactured to match your specific colour requirements.

When ordering custom imprinted Time Tape®, please specify the following:

Length of Roll 500" or 2160" minimum quantities apply

Width of Roll: 12.7mm, 19mm, 25mm, 37.7mm and 50mm

Repeat length of the imprint: Repeat length is the distance from the beginning of one imprint to the beginning of the next imprint

Exact wording needed: For best results, include a sample or sketch

Tape Colour: Chose from one of the 18 colours shown above

Colour Matching: Any colour not selected from the ones above is subject to a \$25USD ink matching charge. Add 20% for each additional imprint ink colour.

Reverse Plates: When light coloured type on dark background is needed, there is an additional 25% tinting charge.

Perforation: Add an additional 10% to the tape price for perforations between imprints.

Special Logos: Custom logos or unique graphics/type are subject to an addition plate charge of \$35USD for one colour and \$50USD for two colours

Proof: Upon written request with your purchase order, we will supply a one-colour proof of your label. This proof must be returned within 30 days with your approval before the order can be processed. Proof orders that are cancelled will be billed for all production charges incurred prior to cancellation.
