Precision Foam Wristbands—Neonatal and Adult

The Precision Wristband helps meet the special needs of patients with sensitive skin for Neonatal and Premie Infants as well as elderly patients. Available in 4 sizes, this moveable ID band offers the highest quality, convenience, and comfort.

- Constructed of soft, comfortable foam with hook & loop Velcro® style closure - No cutting necessary to remove.
- Blank ID panel accepts handwritten information or label and Adhesive shield protects critical patient ID information and barcodes.
- Easily repositioned on wrist or ankle to accommodate IV site changes
- Ensures ID band is present on limb instead of taped to incubator, guaranteeing positive patient identification.
